

# AMA Member Benefits and Resources

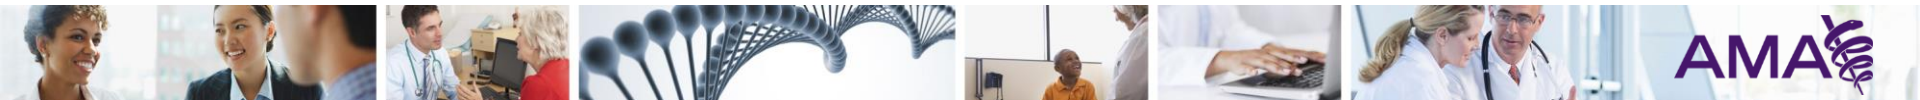

# AMA resources provide actionable best practices and concrete solutions for you and your practice

- **Unlimited access to The JAMA Network®** which brings together *JAMA* and all 11 specialty journals with CME
- **Expert coding support from the CPT® Network**, with access to more than 5,000 commonly asked coding questions and answers
- **AMA model physician employment agreements**
- **Administrative simplification toolkits** that can help streamline claims processing so physicians can focus on patients
- **Savings on products and services** from Mercedes-Benz®, UPS®, Henry Schein®, Hertz® and other providers through the AMA MVP Program
- **New travel benefits** with AMA sponsored insurance, including concierge services and TSA Pre✓® for physicians and all insured family members
- **AMA members enjoy an 18-month trial of *DynaMed Plus*®** at no cost. Dynamed Plus is an evidence-based clinical support tool that features thousands of images and provides immediate answers to clinical questions

# Introducing AMA Physician Opportunities Portal

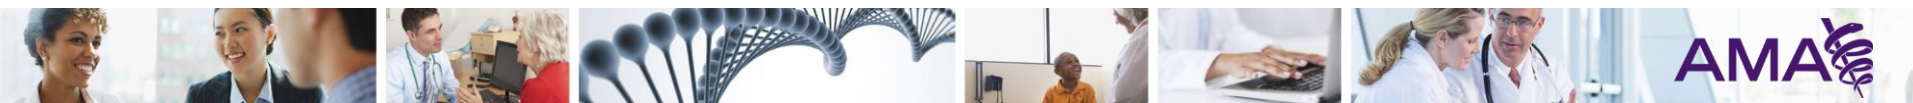

The Physician Opportunities Portal is an interactive platform that provides physicians interested in volunteering or working outside of their normal practice setting, with a list of volunteer and paid, short-term opportunities in medicine.

# Strengthen AAHKS' Voice in the AMA HOD

It is through the active representation of hip and knee surgeons within organized medicine, through AAHKS and the AMA, that your specialty has an impact on the significant changes taking place in our health care system.

**Your membership in the AMA strengthens AAHKS' representation in the AMA-House of Delegates.**

# Activate your 2016 AMA Membership

**Call AMA Member Relations\* today at  
(800) 262-3211 and note that you want 2016 dues.**

***\*AMA Member Relations is available Monday – Friday from 8am to 6pm CDT***

# Be Represented in the AMA HOD

AMA Members are eligible to vote for the national medical specialty society that best represents them in the AMA House of Delegates (HOD). Every physician member is allowed one vote, and for every 1,000 votes received, national medical specialties receive one additional delegate in the AMA HOD.

**Cast your ballot for AAHKS today,  
visit [ama-assn.org/specialty-society-representation-ballot](http://ama-assn.org/specialty-society-representation-ballot)**
